

# Knock Down Rodent Populations

## **FASTDRAW**<sup>®</sup>

FastDraw takes 4-5 days to work.

## **SOFT BAIT**

8 lb. Pail

16 lb. Pail

**Control Rodents • Lower Feed Costs & Contamination • Reduce Building Damage**

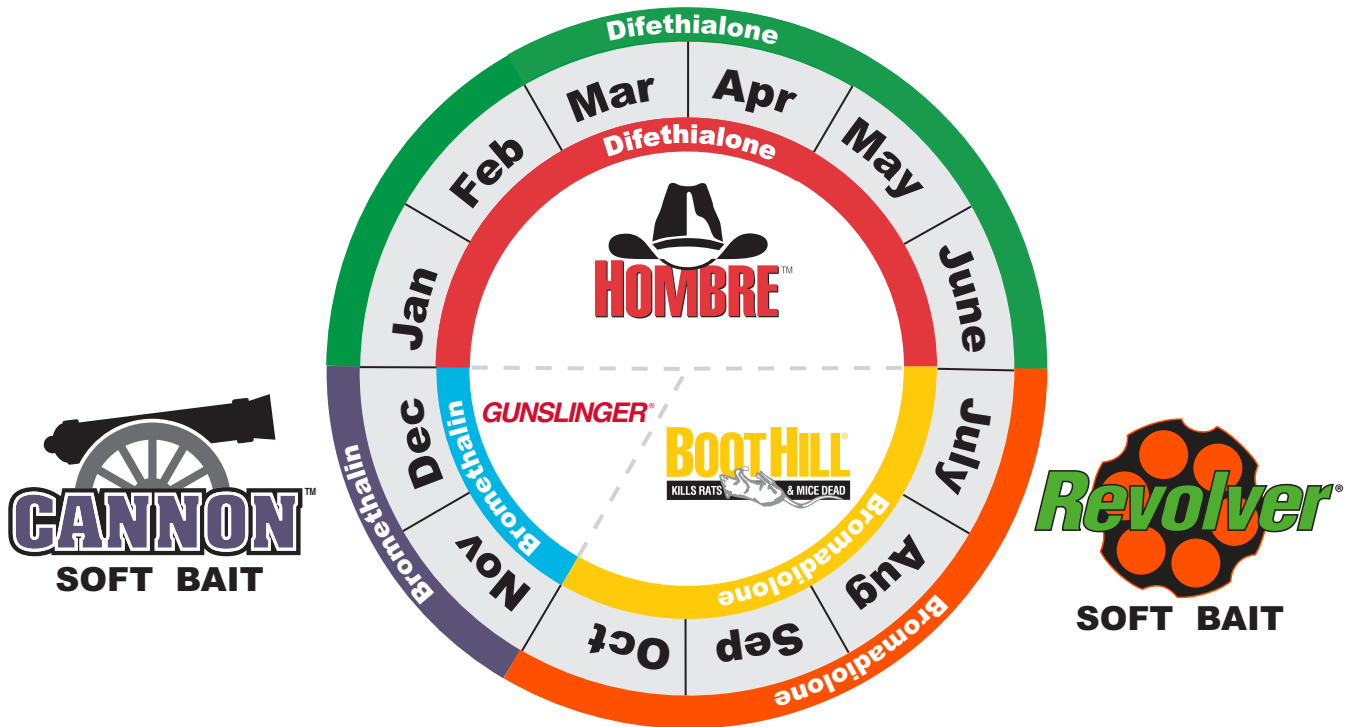

- Only soft bait available with the active ingredient: Difethialone
- Kills mice and rats with a single night's feeding after consuming a lethal dose
- Palatable formulation in a 10 gram (0.35 oz.) pouch
- Active ingredient formulated at 25 ppm
- Perfect for tight placements targeting where rodents live
- Use in areas where non-target animals cannot access bait
