

Welcome Back to the Future of Rodent Control!

A blast from the past...and future! Rozol's rodent control products are as forward thinking today as they were when they came on the farm and ranch scene 50 years ago during an era of great change and technical innovation. Join us for a groovy celebration of Rozol's long-standing role in the ag farming community.

50 Years of Killer Hits

Farm communities have relied on Rozol's list of hit singles to help manage ground squirrels, prairie dogs, pocket gophers and voles on farms and ranches for decades. If you have a tough rodent problem, you know Rozol can handle it. New to Rozol? Now's your chance to learn more about these far out products.
