RESOLV[®]

MINI BLOCKS

Think Outside the Same Old Blocks

Resolv[®] Block Bait is built to last with a durable formulation labeled for indoor and outdoor use. Its active ingredient, bromadiolone, can deliver a lethal dose in one night's feeding, with the first dead rodents appearing 4-5 days after feeding begins.

- Kills Norway rats, roof rats, house mice and warfarin-resistant Norway rats
- Contains active ingredient bromadiolone, invented by the experts at Liphatech
- Ideal for ongoing maintenance
- Suitable for cleanouts
- All-weather bait for wet or dry areas
- 1 oz. mini block
(16 lb. pail, approx. 250 mini blocks per pail)
- Vitamin K₁ is the antidote
