From the Experts at Liphatech

Liphatech has provided effective pest control solutions for almost 80 years. Now our experience and innovation bring you an effective insect control solution to meet the rising demand for environmentally conscious pest control.

Safe for People, Pets and the Environment*

Peritect 360 IC is a laboratory tested, FIFRA 25(b) exempt solution that's effective against crawling and flying insects such as bed bugs (adults & nymphs), spiders, mosquitos, flies, fleas, ants and cockroaches. The EPA has determined that FIFRA 25(b) exempt insecticides pose little to no risk to human health or the environment when used as directed.

Easy to Use

Simple mixing, stays in suspension.

Broad-Spectrum 360° Protection

Indoor and outdoor use. Guards and defends homes, offices, public spaces and businesses.

Environmentally Conscious Solution

Featuring the active ingredients geraniol, cornmint oil and clove oil.
